LAYOUTS - CIRCUIT CONTROLLER DATA SHEET

Fill out the indicated dimensions in the table at right. Call **J&A Industries** at **(800) 748-7722** with the information. We will then identify any of the parts you require for maintenance or repairs. Please identify the site for future reference and provide a name and call-back phone number should additional information be required. This information will be added to our Layout Database. Should parts be required in the future, merely call **J&A** and identify your layout site. We can then supply the proper parts immediately without the need for the maintainer to search for the part numbers.
